

Petit Bateau en Papier

1

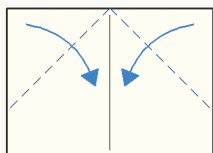

Commence avec une feuille rectangle debout

2

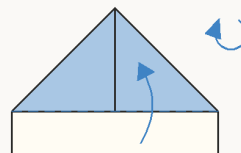

Plie en deux, du haut vers le bas

3

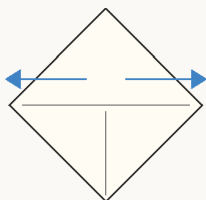

Plie les deux coins vers la ligne du milieu

4

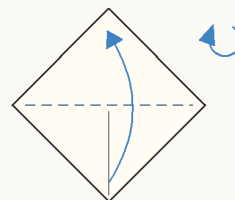

Relève la bande avant, retourne et pareil

5

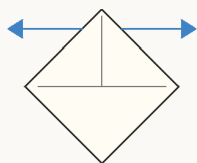

Ouvre par le bas et aplatis: un losange

6

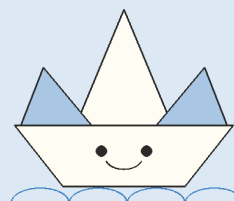

Monte la pointe avant, retourne et pareil

7

Ouvre encore et tire les pointes sur les côtés

8

Bravo! Ton petit bateau est prêt à naviguer
